(P.T.H. No. 2.)

The name Manitoba is derived from the Cree words Manitou, meaning "The Great Spirit" and Wapah or Wah-paow, meaning "Narrow Waters", which names were applied by the Indians to "The Narrows" as on stormy days, a sound, which they believed to be the voice of the spirit, is made by the waves dashing pebbles against the beach at "Manitoba" Island in the strait.

Information

Manitoba presents an ever changing variety of scenery, and is a magnificent playground in the very centre of Canada and the North American Continent. Countless waterways offer bathing, canoeing, sailing, and fishing; the forests afford visions of wild animal and bird life such as are rarely seen elsewhere on this continent. Manitoba is accessible from north, south, east and west by all-weather highways, railroads, airways and bus routes. For further detailed information regarding vacation trips, hunting and fishing write the Travel and Publicity Bureau, Parliament Building, Winnipeg, Canada.
