Information

Manitoba presents an ever changing variety of scenery, and is a magnificent playground in the very centre of Canada and the North American Continent. Countless waterways offer bathing, canoeing, sailing, and fishing; the forests afford visions of wild animal and bird life such as are rarely seen elsewhere on this continent. Manitoba is accessible from north, south, east and west by all-weather highways, railroads, airways, and bus routes. For further detailed information regarding vacation trips, hunting and fishing write the Travel and Publicity Bureau, Parliament Building, Winnipeg, Canada.
